## Boil Water Rescind Notice

On October 5, 2012, the Texas Commission on Environmental Quality (TCEQ) required our public water system Jacinto City, PWS ID 1010015, to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of October 8, 2012.

If you have questions, contact Kyle E. Reed at (713)453-7411

If a Customer wishes to reach TCEQ, they may call (512) 239-4691.
