

# Permit Application for Mobile Home Tie Down Installation

Mobile Home Owner's Name \_\_\_\_\_

Phone \_\_\_\_\_ Alt Phone \_\_\_\_\_

Trailer Park Address \_\_\_\_\_

Location within Trailer Park \_\_\_\_\_

The following requirements must be met prior to submitting this application:

- Mobile Home tie downs must be designed by an engineer. An original stamped engineer's drawing must be submitted with this application.
- The owner or manager of the mobile home park must sign this application validating that the placement of the mobile home is correct and in compliance with city ordinances.

I \_\_\_\_\_, as the owner or manager of the mobile home park have inspected the location of this unit and affirm that it is correctly placed and complies with the city ordinance including a 20 foot clearance from other mobile homes or 10 foot clearance from all other buildings and property lines, and that the mobile home is no less than 25 feet from any property line abutting a public roadway.
