*The meeting was opened with Prayer and the Pledge of Allegiance.*

- b. Roll Call:

*The following members were present: Mayor Diaz; Council Members Rivas, Robinson, Lee & Gonzales; City Manager Squyres, City Attorney Defoyd & City Secretary Rodriguez.*

*Council Member Garcia was absent.*

### 2. Mayor & Council Comments:

- Councilmember Rivas asked Ivan to make sure all the parks are taken care of and ready for Summertime. Ivan gave a brief of what is being done to prepare. Mayor Diaz gave some suggestions for summer activities, and a small discussion ensued on the topic.*
- Councilmember Robinson: "Everybody just enjoy yourself and stay safe."*
- Councilmember Lee: "Thanks for coming out, God Bless y'all."*
- Councilmember Gonzales: "Has anybody heard if the astros win or loose?" Several people replied, they won 3 to 1.*
- The mayor complimented the flowers around the Heritage Hall and requested to have some placed around the monument at the council chambers.*

### 3. Public Comments:

- Edgar Vargas addressed the Mayor & Council to notify them of elections coming up for the league and inform them about the events occurring at the VFW and their benefits for the community.*

### 4. Approval of the Minutes of Previous Meeting(s):

A motion was made by Council Member Lee & Seconded by Council Member Robinson to approve the minutes of the previous meetings as presented. Vote: **For: 4, Against: 0**

### 5. Reports/Announcements of City Departments:

#### Heritage Hall: Director Elizabeth Flores

- Mayor Diaz and Elizabeth discussed taking the Seniors to Bluebell.*

#### Parks & Recreation: Director Ivan Rojas

- The department is busy doing maintenance on the parks, making them nice for summertime.*

#### Public Works: Thomas Rogers

- The department is doing normal maintenance on the street and water side.*
- Update on the WWTP they are finishing up little details on phase 1, also had a nonmandatory Pre Bid Meeting for phase 2. We had a couple of contractors sit in in the meeting and a couple via zoom.*
- We have about 560 Accurate Meters that they have installed and are on the program. Mayor Diaz asked when the installations should be complete; City Manager Squyres replied that we have about 2800 meters in total, almost 600 of those installed, it's just a slow process and it'll probably be about another 3 months. For now, the meters are being used as basic meters, however they are being read electronically; but once they are all installed, all the features, such as the applications for your phone, will become available.*

#### Fire: Interim Chief Mo Davis

- The department's call volume has been about the same.*
- Khan and Edel will be doing a "Stop the Bleed Program" in English and Spanish; once the date is set, the department will notify the mayor & council.*

**Jacinto City Branch Library: Nyla Vela**

- The library is excited for their "Easter Event", which is happening on April 17<sup>th</sup>.

**Police: Chief Joe Ayala**

- Submitted report for the month of March and went over it with the Mayor & Council.
- Also notified that we had 2 residents pass on.

**6. Unfinished Business:**

No Unfinished Business.

**7. New Business:**

- a. Mayor & Council to Consider the purchase of a new Fire/Rescue Truck.

*-Synopsis given by City Manager Squyres.*

*This is a budgeted item, it is budgeted at \$220,000.00 and we're not going out for bids on this, we're proposing to council that we use the HGAC Cooperative Purchasing Agreement. This is the same way that we buy patrol cars and items such as that. It's an easier way to do it, it allows us to work closely with the contractor, inspect it the way we want it and we're still guaranteed a good fair price on it and in your packet, you have the quote for that. We pay HGAC a small percentage of it for their handling fee because they do go out for bids for these things, they just do it on the front side and say we need a Fire truck Manufacture, we need a Patrol car manufacturer and then everything is based off those bids that they extrapolate into these proposals.*

*-Discussion.*

**Mayor Diaz:** the way I see it, it's for the community and it is needed so it's something that, it's not like were going to waste our money but it's going to be used for the community and all our families up here, everybody here.

**City Manager Squyres:** Mayor the audience may not remember what this actually is, Mo Could you, if Chief Davis could tell us a little bit about because we looked for something that could be one type of truck and were actually getting a dual-purpose vehicle. So, if you could.

**Fire Interim Chief Davis:** Sure, so It's a multi mission vehicle, and one thing that when Lon and I first started talking about it, we really wanted a tommy lift for elderly people, people in wheelchairs because were going to use it as a dual purpose, it's not only brush truck for brush fires, we could use it for small fires, we got a 250 gallon tank on it with a pump. We can actually remove that with the help from Public Works and we can make it a High Water Vehicle. When Jacinto Oaks Flooded, that's one of the problems we had, we had the old Deuce and a half from the military and we couldn't get people into it easy so when we said we were going to built this, we wanted to make sure that the community would be able to get in so with one of the main things that we spec'd out was a tommy Lift on the back that we could actually put people in lift them up, let them walk in, they're going to build in a small bracket in there for wheelchair people so its going to be multi-mission and we think it'll be good for us and I think it's about maybe a 20 minute change around so well drain the tank, well go to public works and well actually take the pump and tank out an just lay the seats down and when we lay the seats down we'll be able to carry people for high water.

**Mayor Diaz:** of course, if we need it, of course, we always got to have what we need for our community, so I'm all for it, Council?

**Councilmember Robinson:** I have a question, so did I read that right, this is going to be a gasoline engine?

**Interim Fire Chief Davis:** It is, and I'll tell you why they recommended that. Theres a new filter system on the diesels that they're making, originally we were talking about a diesel, and so when we went with these manufacturers they recommended that for the water and the diesel and they said it'd be between 5 and 6 thousand dollar repair because it's probably maybe a 20 inch deal and they said as much as we would run it that they'd recommend the gasoline that's why we went with the gasoline instead of the diesel. For two purposes, one we won't run it a lot and it'll probably last the rest of our careers to be honest, so we won't run it a lot and secondly in water they were concerned about the new filter system that they're putting in all vehicles, for the emission stuff.

**City Manager Squyres:** Chief, I know you and I talked also, the diesels that we do have, the 350 diesels and I understand this is a larger vehicle, but we have had a horrible track record with the turbos going out on those and that's what about 23-25 thousand dollars every time that happens.

**Interim Fire Chief Davis:** It is cause what they have to do, I know you're aware, but we have to lift, take the entire cab off to get to it now and so then were out of service for about a month or so and it's just an unreasonable price to pay, it's a quick repair once they take the cab and everything off that's exactly true but everything else it'll be to where we can ride in it, it'll be a little bit different than our booster now, it sets up and it sets up for the water and it'll be beneficial to us.

**\*Motion to authorize the City to purchase a new Fire/rescue Truck Made by Council Member: Rivas**

**\*Second was made by Council Member: Robinson**

**\*Favor: 4/0**

Mayor Diaz adjourned the meeting at 6:18 pm.

Respectfully submitted,

*C. Rodriguez*  
Christal Rodriguez  
City Secretary

<i>Ford is increasing the 5-year 60,000-mile limited powertrain warranty to 5-years, 100,000 miles. Only Fleet purchasers with a valid Fleet Identification Number (FIN code) will receive the extended warranty. When the sale is entered into the sales reporting system with a sales type fleet along with a valid FIN code, the warranty extension will automatically be added to the vehicle. The extension will stay with the vehicle even if it is subsequently sold to a non-fleet customer before the expiration. This extension applies to both gas and diesel powertrains. Dealers can check for the warranty extension on eligible fleet vehicles in OASIS. Please refer to the Warranty and Policy Manual section 3.13.00 Gas Engine Commercial Warranty. This change will also be reflected in the printed Warranty Guided distributed with the purchase of every new vehicle.</i>
