

CARE CONNECTION

AGING AND DISABILITY RESOURCE CENTER (ADRC)

What is Care Connection?

- A resource center that connects you to the care you need!
- We specialize in locating resources and services for older adults, individuals with disabilities of all ages and caregivers.
- Care Connection is a convenient and reliable way of accessing these services and best of all, it's **FREE!**

What are the Core Functions?

Benefits Counseling Certified benefits counselors provide accurate and objective counseling, assistance and advocacy in relation to public and private benefits.

Education and Training General and evidence-based training and education for professionals and consumers related to aging, developmental and physical disabilities.

Housing Navigation Services designed to help individuals and families identify appropriate, affordable and accessible housing options.

Navigation Assists customers by screening for needs and directing them to the appropriate services and support.

Options Counseling Provides support to ensure and monitor service linkages to address long-term and complex customer needs. This may include referral to organizations that provide case management.

Respite Provide respite support, which gives caregivers a chance to "take a break" from their caregiving responsibilities.

WE SERVE HARRIS COUNTY
